Saturday, August 15, 2009 ♦ 10:00 am - 2:00 pm

HOSTED BY:

THE HOUSTON ALUMNI CHAPTER
KAPPA ALPHA PSI FRATERNITY, INC.

"IT'S A FAMILY AFFAIR IV"

The Houston Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. invites you and your family to our Annual Health Awareness Fair. We continue to host this annual event in an effort to educate, encourage, and support health initiatives in the Black community. Black women and men still fall into the high risk group on many health reports for things that could be prevented with proper detection and prevention.

The fair will be offering health screenings, educational information, not to mention good food, and lots of fun! There will also be a wealth of information supplied by Health Exhibitors. Whether for children or adults, men or women, this year's event will truly be a "Family Affair."

Arrive early to receive door prizes, school supplies & other free give-aways!
